

San Carlos Park Fire Protection & Rescue Service District

EMPLOYMENT OPPORTUNITY

Repost 12/21/2015

Internal/External Posting

Fire Safety Inspector: \$57,898.00 starting salary. Position is 40 hours per week and works under the direction of the Fire Marshal. He/she will conduct fire safety inspections; oversee the testing of fire safety systems; and participate in plans review. Must be familiar with general building and facility inspection procedures. Duties involve considerable public contact and requires employee to interact and communicate effectively in both written and verbal forms. Responsibilities require technical knowledge and analysis of the local, state and federal regulations governing various aspects of fire prevention, fire protection systems and fire safety inspections to ensure compliance with regulatory laws and guidelines. It is essential for the incumbent to be proficient in driving a vehicle, communicate using a two-way radio, walk around fire scene and job sites, climb ladders and stairs and complete physical requirements set forth by the department for this position.

High school diploma/GED required; a Florida Class 'E' noncommercial driver license (or higher); Florida State Certified Fire Inspector; and working knowledge and practical experience in fire inspections, plans review, sprinkler systems, alarm systems; must meet minimum standards in F.S. 633. This position does not require Florida State Fire Fighter Certifications. Position is not "Special Risk" with the Florida Retirement System.

Please submit resumes to 19591 Ben Hill Griffin Parkway, 33913.

Submission of resume deadline is 4:30 p.m., Friday, January 15, 2016
